I UNDERSTAND AND ACCEPT THE FOLLOWING:

- Positive results cannot be guaranteed. Agnes Banks Equine Clinic can accept no responsibility for the quality of the embryo, or its disease or genetic status.
- The mare will be placed in a crush and be examined internally, causing a small but finite risk of injury, infertility or death.
- Reproductive hormones, sedatives and relaxants will be used at our discretion.
- The mare may be placed in a paddock with other mares, at our discretion. The mare will be wormed and have her feet trimmed at our discretion, at owner's expense.
- There is a fee of (GST included):
 - \$481.08 per Embryo Flush.
 - \$356.37 per transfer once an Embryo is retrieved.
 - \$2,848.91 for a recipient mare sold in foal with a 45 day positive pregnancy.
- Pregnant recipient mares are to be taken home once diagnosed with a 21 day foal. A \$31.65 per day agistment fee will be charged after this.
- Once possession of the mare in foal is taken by the owner / client the mare becomes the property of the owner / client, Agnes Banks Equine Clinic Pty Ltd make no undertaking to purchase the mare back after foaling.

UNLESS OTHERWISE AUTHORISED, ALL ACCOUNTS MUST BE SETTLED ON COLLECTION OF YOUR MARE.
